President Report Aug/Sept

Hello Members and Sponsors,

Apologies for no Newsletter in August, as you have read this one is combined August/September. Our Newsletter Journalist is away, and I have been away and now returned.

September Fish of The Month is Trevally, have you caught one yet? Measure Master Terry gave us some very valuable information on how to catch a Trevally, so we had better all go fishing.

Our August dinner meeting was well attended with Eddy "whipping up" a 3-course meal of soup, main course roast and sweets, it was delicious, thanks Eddy. We paid \$15.00 each, it was certainly good value. It was disappointing that the Guest Speaker was not available.

Eddy informs us that the September dinner meeting, will be held, on October 5th, 5.30pm, it is due to the AFL Grand Final on the last Saturday in September, we will have a Super Extra Special Guest Speaker.

The Fly Fishing day was well attended, some members even caught /released a fish, others joined in the very social side of the day, perfect weather and a unbelievable picturesque location, at members Steve and Claire's dam, thank you Steve and Claire for your hospitality.

The Fishing Competition banner at the entrance to Quarantine Bay was in need of repair or replacement. Shane Best of Shane Best Tree Services and Arborist removed the banner, donation of his time and expertise was greatly appreciated, thank you Shane.

The EAFC Committee have decided that a new banner is to be purchased.

The next Book Fair/Car Boot Sale is on Saturday October 12th, we have 2 Car Boot Stalls booked already. It is a great opportunity for you to "Declutter," - book a stall!

We must remember if we catch a fish, check the Fish Measurement Chart, I happened to be speaking to Measure Master Terry on what fish Max and I caught on our last fishing expedition, in the catch we caught a Slimy Mackerel each. Terry says "we should have sent in photo as no one has entered a Slimy on the chart yet." The Slimy's were not that big but we could have had bragging rights until someone catches a bigger one. Next time I will remember, check the chart, take the photo, send it in - easy!

Check the Fish Measure Chart, keep the Measure Master's busy.

Looking forward to seeing you at the next dinner meeting, Saturday October 5th, 5.30pm.

Until next time, Let's go fishing, go catch a Trevally.

Kind regards,

Val C.
