LEADERBOARDS SELECT INFORMATION

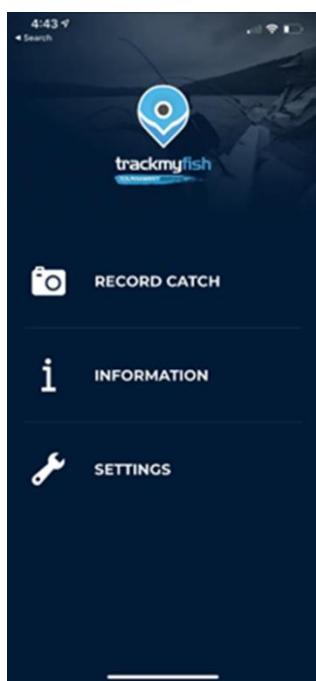

Check current winning lengths IN YOUR CATEGORY before submitting your species photo's.

DO NOT send in photos, if a longer fish has already been recorded on the Leaderboard
COMBO's Entrant's name/s will **NOT APPEAR** on the Leader Board UNTIL both species
are APPROVED.

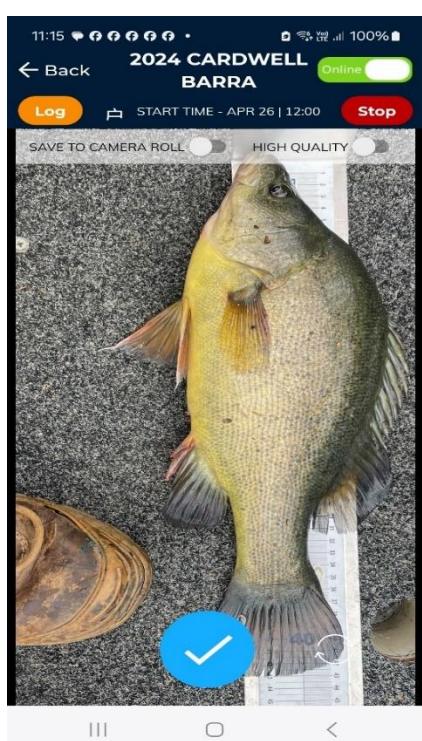

COMBO's Tailor +/or Salmon: photos of each fish are to be submitted
separately. NOT TOGETHER ON THE SAME DPI MAT and SAME PHOTO.

Each fish Photo can be caught and submitted on different days.

HOW TO SUBMIT FISH PHOTO'S:

SELECT RECORD CATCH TO TAKE PHOTO

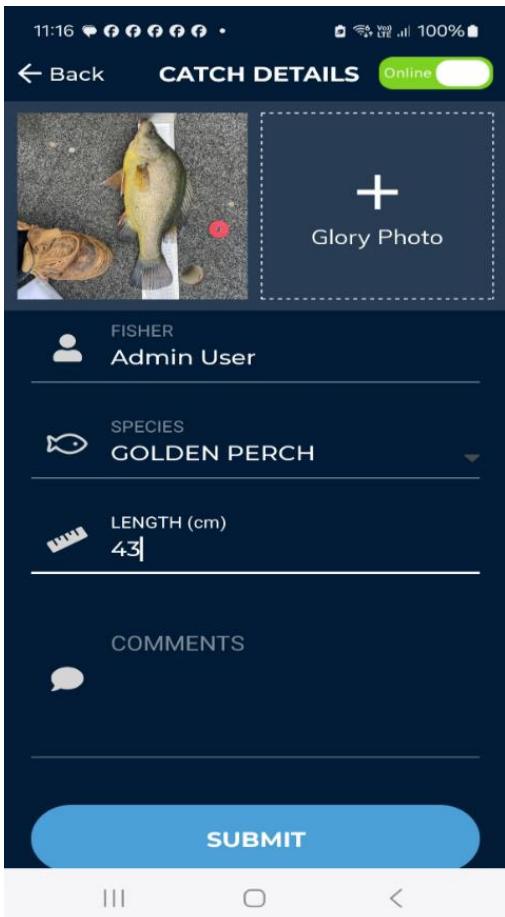

ENSURE ONLINE BUTTON IS **GREEN**

TAKE A CLEAR PHOTO AS PER THE
EVENT RULES & T and C's

CLICK

At the bottom of the screen enter:
First & last name of the entrant to assign to.
Select the Species.
Enter length in mm's
Once all the photos and data are loaded, press **SUBMIT** button
Repeat for next entrant

HOW DO I CHECK MY CATCHES HAVE BEEN LOGGED?

The list of all the fish submitted will show in LOG.

Under each log will show if the data & image has been received. For example:

If it reads **green RECEIVED**, it means the data AND the image has been received to the server.

If it reads **red NOT SENT** it means neither the data or images has been sent and therefore not received.

If it reads **orange IMAGE NOT SENT** it means the data has been received (entrant, length, type etc) but the images have not been received.

If you have either the **red** or **orange**, you will need press the **SUBMIT ALL** button located on the top **RIGHT** of the screen so its re-uploads.

Please keep checking until all your logs show green.

FISH ARE JUDGED ON LENGTH

ACCEPTED IMAGE RECEIVED next to the entry, is the confirmation that the fish and therefore your length for that fish in the server have been approved..

SUBMITTED IMAGE RECEIVED, means the data and image have been received but the official Length Master is yet to verify and accept your entry.

SUBMITTED IMAGE NOT RECEIVED, means the data has been received but not the image. Go to the LOG page and follow the resubmission steps.

ONCE APPROVED your submission will immediately be updated on the leader board.
