PRESIDENT'S REPORT JUNE 2025

Hello Members and Sponsors,

Good News, after much consideration the Committee have decided to continue NOT to charge members for the monthly dinners with the exception of Seafood and Roast dinners.

Members continue to bring a salad or a sweet.

The May BBQ dinner which Max and Bruce M. sizzled to perfection and members bought along a most delicious array of salads and sweets, according to feed back most enjoyable and have BBQ more often.

Pam amazed us with her \$10 note game, which it at least made us mingle in teams, some even winning their \$10 note back.

May Fish of Month was Snapper 11 adult entries, no entries from children.

Not many children enter the fish of month competition, it would be an easy opportunity for them to catch a fish and increase their pocket money.

Last Saturday 16 members and friends went to Goodenia Restaurant Merimbula for lunch, supporting our sponsor "Tong" for his generosity of sponsoring the 2025 fishing competition with vouchers and a fish species prize.

Continuing maintenance of our Club House, the large oven/cook top has been serviced. We need to keep the kitchen in excellent going order for Eddy to use his expertise in making our monthly dinners.

The Rolla doors have also been serviced with one under cover shed Rolla door being replaced.

June Fish of the Month is Leatherjacket, have you caught one?

The monthly dinner is on Saturday 28th June, 5.30pm Please phone Eddy 0418 556414

if you are able to come. It would be very much appreciated if you could please bring a sweet.

There will be a raffle for a "Sunday Breakfast Feast."

JUNE FISH OF the MONTH LEATHERJACKET

This is your last chance to receive an award.

****Longest Species for the Year (July to June)***

Over a 12-month period, members catching the longest of each species are recorded. Men's and Ladies have a choice of 26 different species as agreed to by the committee.

Winners receive a \$50 cash prize for each longest species.

Boys and Girls have a choice of 22 different species as agreed to by the committee.

Winners receive a \$20 cash prize for each longest species.

****All Rounder Competition: (July to June)***

A yearly competition based on the fish of the month species where: the angler both Senior and Junior divisions with the highest points tallied over twelve months receives an Award Certificate and cash Prize of \$100 for either a Man or Lady and \$50 cash Prize for either a Boy or Girl.

- : 3 points are awarded to the longest fish
- : 2 points to the next best
- : 1 point for any fish of that species recorded

****Club Champion Angler:*** (July to June)

This honour is awarded to the Member who catches the most of the longest fish across all sections and of all species. They receive 2 points per fish.
Any member from any age category can conceivably win.

The member with the most points receives an Award Certificate and a \$200 Cash Prize!
(in the event more than 1 angler is eligible for Club Champion then both anglers will receive \$200 each).

Countback System:

For the anglers that have tied, take each members winning list of fish in their category eg Men, Ladies – Boys, Girls. For each fish that did not receive 2 points for the overall longest fish, they receive 1 bonus point to be added to their tally.

Note: A tie can still result even after using the countback system.

In the event the tie remains after the count back, then both anglers receive the allocated prize.

****Most Meritorious Capture:*** (July to June)

The Committee selects the efforts of one fish captured (subject to a certain criteria) in each adult and Junior categories.

(1) The Committee is to decide following the criteria:

- a. A new Club Record
- b. Line class. A fish caught on light gear compared to the weight/length of the fish.
- c. Showed skill in fishing and landing the fish.

Men's & Ladies win \$100 each and an Award Certificate
Boys and Girls win \$50 each and an Award Certificate

****Out of Designated Waters:*** (July to June)

Our members that travel or live and fish beyond the Club's designated boundaries can submit their capture with a story and have it published in our Newsletter.

A single winner is decided by the Committee as "standing out from the crowd" and receives a \$100 Cash Prize and an Award Certificate.

Criteria used by the Committee to decide:

- a. A fish relevant to weight and length of a species greater than a current Club record.
- b. An angler showing skill in fighting and landing the fish.
- c. Unusual catch.
- d. A junior member catching a longer fish than an adult member.
- e. Points are to be awarded for catch & release.
